OF  
TEXAS SOIL AND WATER CONSERVATION DISTRICTS**

---

June 24, 2020

**To:** South Plains Association of Soil and Water Conservation Districts

Due to current circumstances related to the COVID-19 pandemic the South Plains Association of Soil and Water Conservation Districts is moving to a conference call format and will be a brief business session only.

The call will be held on August 19, 2020 and will start at 9:00 am. It is strongly recommended that you use a land line to participate in the call. Cell phones can create static and noise on conference calls.

To participate in the meeting call 1-888-387-8686. The conference ID is 2827768#.

I realize this is not an ideal situation for our meeting and I will miss seeing you all in person, however, we must all do our part to keep everyone safe and healthy. I look forward to the time we can meet again in person.

I have attached a draft agenda for your review.

Thank you,

Everett Harrel

President, South Plains Association
